

“Addendum!”

Series: “*Bring a Bible You Can Write In*”

Open: How or when were you first introduced to the Bible?

Explore: Read Psalm 119:129-152.

More copies of the Bible have been sold than any other book in history. By reading it, we find direction, instruction, and encouragement for life. Psalm 119 is the longest book in the Bible and focuses on the importance of God’s Word.

1. What words does the author use to characterize God’s truth (vs. 129, 138, & 152)?
2. How does Psalm 119 describe the author’s heart and attitude concerning the Bible (vs. 131, 140, & 148)?
3. What two activities does the Psalmist practice when facing difficulties (vs. 145-149)? How do these two activities go hand-in-hand?

Reflect: Review key points from the lesson before answering the questions.

1. What is the most common obstacle that keeps people from reading God’s Word? a) I don’t have time, b) I don’t understand, or c) I don’t know where to start. What has been the biggest obstacle for you?
2. How has this current series helped to take some of the mystery out of opening your Bible? Will you be more or less likely to bring your Bible to church?
3. Review the Addendum. Which topic can you immediately put to use in your life today?

Apply: Live it.

As a group: Take time to go through the ADDENDUM and mark your Bibles together. You probably don’t have time to go through all of the topics mentioned, but you can get through one or two.

On your own: Read through the book of John one chapter at a time. Underline one verse that stands out to you and meditate on that verse. There are 21 chapters, so you should be able to finish within one month’s time.
